

BASKETBALL & TOUCH SEASON LAUNCH

Dear Families,

What a year we have had, with over 60 Falcons club teams playing in weekly competitions across our 4 pillar sports; Basketball, Netball, Touch and Volleyball. As we gear up to prepare for another exciting year in 2024, we would like to provide you with some important information regarding player registration, participation and training requirements for the 2024 season.

Our commitment to devolving well-rounded student-athletes extends beyond the playing field/court. We place great importance on attendance at training sessions, not only for the improvement of individual skills but also for the success of the team as a whole. With this in mind, we would like to remind all registered players of the following training requirements:

Attendance Requirement:

To be eligible for end of year awards and to also participate in matches each week, players must attend a minimum of 80% of all scheduled training sessions. This ensures players are prepared and contribute positively to the team.

Communication:

If for any reason you are unable to attend a training session, it is imperative that you notify your coach, speak directly to the Director of Culture and Sport in advance, or email active@flcr.qld.edu.au. We understand that unforeseen circumstances may arise, but open communication is essential in maintaining team cohesion and your eligibility for matches.

Training Schedule:

We will endeavor to keep training from Monday to Thursday for 2024. We ask that students take this into consideration when planning their commitments to ensure consistent attendance. Training schedules will be sent to families as soon as all teams are confirmed.

It is our focus to reward dedication and commitment, and therefore, players who fulfil the attendance requirement will receive the full benefit of sport points for the end of year awards and playing time. Those who do not meet this requirement and fail to communicate with their coach, or the Director of Culture and Sport may find themselves starting on the bench for the next game. Please understand that this procedure is in place to maintain the integrity of the Faith Falcons teams and ensure a fair opportunity for all players.

Please consider your commitment to training when registering for your chosen sport/s for 2024. We are eagerly looking forward to an exciting season of growth, competition and camaraderie. Please complete the Active@Faith registration (below) if you would like to trial for a 2024 Season 1 Basketball and Touch Football Team by **Wednesday 15th November**.

If you have any queries or require any further information please email active@flcr.qld.edu.au.

Kind Regards

Nicole Hutchinson
Director of Culture and Sport
