### ABOUT ME:

Hello, Welcome to 2H! I am so excited to see what 2023 brings. We have lots of new resources and equipment that I am eager to use and allow students to explore.

This will be my 4th Year teaching, however I have been a very familiar face in the Faith community since 2011. I am a former Faith student and OSHC Educational Leader (some may know me as Miss Hayley). I was born in South Africa and moved to Australia in 2001. I have a dance background of 18 years, within that time I was also an Allstar Cheerleader for 5 years. I have one sister, a puppy called Hugo and a wonderful family.
