Dear Parents/Caregivers,

Our names are Sue Forshaw and Marina Ribeiro. Sue is Hope and Aaron's mum and I am Abbie's mum. We also have older children at Faith Lutheran College. We are the Class Carers for 4D and we are particularly looking forward to helping to make this year in 4D a memorable one. What an exciting year it will be.

The role of the Class Carer is:

- To care for the students and families of our school
- To assist the college in providing efficient communication between families and the school
- To assist teachers in the care and support of the students and families in their class
- To build community

As Class Carers for our Community, we aim to work together and have already planned some exciting, combined events for the year.

Please feel free to contact us on the following email addresses if you need anything.
