Once a position on the squad has been confirmed, you will receive information regarding your child's group and session time. Your space is secured until the end of the year, with term breaks allowing new students to register and the chance for players to advance through groups.

If you choose to opt out of the program during the year, email confirmation is required prior to the end of the paid term. The sessions are scheduled to include a minimum of 8 lessons each term (and 4 in Term 4).
