

Worship Offering

At Faith Junior School, as a part of our weekly Worship Service, there is an opportunity to give a monetary offering. This is completely voluntary and is not an expectation, as is the amount that might be contributed.

The offering helps support the mission and ministry of ALWS (Australian Lutheran World Service) which is an accredited charity of the Lutheran Church of Australia and is registered with the Australian Council for International Development (ACFID) and a compliant signatory to ACFID's Code of Conduct. ALWS supports people hurt by poverty, injustice and crisis.

Further information can be found on the ALWS website.
