

## Season 2 Sport Coaches Needed

Falcons are continually growing each season with more and more students wanting to become part of our club Basketball, Touch Football, Netball or Volleyball Teams.

To make this program successful and keep it growing for our students, we continually need to source coaches to meet the demand of our teams.

If you are passionate about kids sport and would like to become part of the Falcons coaching team in Season 2, please email [active@fcr.qld.edu.au](mailto:active@fcr.qld.edu.au).

Coaches can be supported with training and qualifications if required.
