

**WE ARE INVITING EXPRESSIONS OF INTEREST FOR A VALUABLE AND  
REWARDING ROLL WITHIN THE JUNIOR SCHOOL**

# **CLASS CARER 2023**

**Following are some examples of what may be involved in being a Class Carer:**

- Support and assist families of the class
- Support and assist the class teacher
- Promote positive relations between parents and the teacher
- Where possible, help at class social and designated school events
- Maintain confidentiality of all involved, whilst passing on relevant information to the Head of Junior School, Deputy Heads of Junior School or Class Teacher if deemed appropriate
- The role of Class Carer is NOT to act as a 'go-between' to resolve conflicts between parents/teacher(s) or parent/parent. It is expected that the Complaints Procedure will be adhered to if difficulties arise

Class Carers will have an information session facilitated by a senior administration team member and be required to complete both components of our Valuing Safe Communities Induction Course.

If you are interested in becoming a Class Carer please click on the link following to register your interest:
