

Junior School Big Splash

Dear Families,

The Junior School Big Splash Carnival will be held at the Junior Campus on Friday 10 February 2023. It will have a range of fun water-based activities including inflatables and a slip and slide.

Year 3 to 6 students will also attend the YMCA pool to swim laps for their houses.

The Big Splash events are scheduled to start at 9:00am, with a short morning tea break, until the last activity, which will finish just before lunchtime. All Prep to Year 6 classes will be attending the day.

The program for the activities is:

	Prep to Year 2	Year 3 & 4	Year 5 & 6
9:00am	Inflatables	YMCA Pool	Water Fun Activities
9:55am	Water Fun Activities		Inflatables
10:50am	Morning Tea		
11:10am	Inflatables	Water Fun Activities	YMCA Pool
12:05pm	Water Fun Activities	Inflatables	
1:00pm	Completion of Activities. Students to get changed and return to normal daily program.		
1:20pm	Lunch		

Students can come to school in their BIG SPLASH house colours, this could include colourful hats, board shorts, sun safe swimwear, rashies and Hawaiian shirts. Please remember to be sun smart! Year 3 to Year 6 students also need to be prepared with their swimming equipment: towel, togs and goggles. It is recommended that students also equip themselves with as many forms of sun protection as possible: hats, sunglasses, rashies, sunscreen etc.

On completion of the Big Splash, students will need the following:

- Towel
- Sports uniform to change into (including sports shoes and hat).
- Bag for wet clothes.

Students will then return to their daily routine at lunchtime to complete the school day. The College canteen will be operating as normal.

We are requesting volunteer assistance to help with group activities, group movement, student sun safety, and helping us in making the Big Splash a whole lot of fun! To register as a volunteer, please use this link [Junior Big Splash Volunteer Link](#). Parent spectators are also welcome!

Looking forward to having lots of fun with the Big Splash!

If you have any queries, or require any further information please email active@fclr.qld.edu.au.
