Linguistic Phonics Program- SSP

Phonemic Awareness

- We start with phonemic awareness – just getting the children to hear the individual sounds in words.

- The children blend the phonemes (sounds) without the graphemes (letters)
- We also introduce the children to the first six most common sounds (SATPIN – green level)

Reporting and Assessing

Moderated across year level using a range of work samples such as reading benchmarks, comprehension tasks, writing samples, multiple choice, games, question and answer tests, questions, anecdotal records, carpet discussion time and practical tasks.

Sometimes, the most brilliant and intelligent minds do not shine in standardised tests because they do not have standardised minds.
