

February 2023

Dear Year 4 Families,

## Year 4 Kickstart Program 2023 Introductory Opportunity

The Year 4 Woodwind, Brass and String *Kickstart Program* introduces students to a range of instruments and identifies each student's personal potential. Emphasis in this program is placed on identifying students with their chosen instrument and the development of correct technique over a range of lessons.

### How do you confirm your place in the program?

On Friday, 3 March our tutors will meet with the Year 4 classes to give each student the opportunity to try a selection of brass, woodwind and string instruments. This will enable us to determine what instrument your child is most suited to. You will then receive a personal invitation from the College which details what instrument/s your child showed competence on and will provide further details about stage 2 of the program. Students will also be given the opportunity to nominate which instrument/s they would like play.

We encourage all students to participate in this trial and welcome any questions to [create@flcr.qld.edu.au](mailto:create@flcr.qld.edu.au)

We look forward to introducing you to our Instrumental Music staff and a fun program of activities.

Kind regards,

Nicole Hutchinson  
Director of Culture and Sport

Annette Joyce  
Assistant Director of Culture
