

Dear Year 4 Families,

Re: Year 4 Kickstart Program 2023

Recently, we held our first *Camp Create*, celebrating all of the amazing skills and talents of our students at Faith Lutheran College Redlands. In particular, those students within the Instrumental Music Programs and some of the wider Arts programs were given the opportunity to work with their tutors as well as visiting professionals to develop their skills further.

As part of *Camp Create*, we launched our Kickstart Program to all students in Year 4. Students were given the opportunity to attend the Woodwind, Brass and String Kickstart Program trials. Our instrumental tutors demonstrated all the different instruments that are offered here at the school, and students were able to choose their favourites. The tutors then gave each student the chance to try the instruments and were able to determine which instrument your child is most suited to, taking into account their preferences. Any student that missed the trial and would like the opportunity to try out, please email create@flcr.qld.edu.au as soon as possible.

The instrument offers are currently being finalised. Once you have received the offer, you will be able to read the program information, sign the program contract if you wish to proceed and reserve your child's place in the program to begin in Term 2.

If you have any questions about the program, please email create@flcr.qld.edu.au

Best wishes,

Nicole Hutchinson
Director of Culture and Sport
