What is important to us in Year 4?

Emotional and
Social
Wellbeing

Uniqueness of
each student

Quality vs
Quantity

Maximum
effort

Commitment
in class

Learning from
mistakes

Being curious
learners

Developing
independence
and resilience

Student Goals

Students are encouraged to set personal goals for their learning journey in Year 4 and they explore the steps that they will need to take to 'climb their mountain'.

We believe that if students are following the 5 C's, then they will be able to successfully navigate a pathway to achieving their goals.

Reporting and Assessing

Moderated across year level using a range of work samples such as reading benchmarks, comprehension tasks, writing samples, multiple choice, games, question and answer tests, discussions, anecdotal records, and practical tasks.

Sometimes, the most brilliant and intelligent minds do not shine in standardised tests because they do not have standardised minds.
